

Berkeley Presbyterian Mission Homes

The multi-faith program, beginning with the Abrahamic faith traditions, strives to build beloved community experientially among residents of diverse faith traditions. Through shared learning and by mutually supporting one another in a climate of growth, we aim to be the spiritual building blocks for a world of peace, justice, and love. Our core values are mutual respect, open heartedness and open mindedness, community spirit, and inclusivity. [BPMH Mission Statement]
