Please provide your new address and your email address under which you can be reached after the completion of your program. Please change your address at the DMV, financial institutions (Banks, credit cards, etc.), the state/federal institutions, and all other entities that may send you mail or advertisement (Amazon, Costco, Safeway, etc.). First class mail may be forwarded for up to a month within the US.

III. Move-out Inspection

Notes:

- In general, leave the room and kitchen in such a condition as you would like to find it when you move in without any additional cleaning needed.
- When washing curtains, blankets and mattress covers, please line dry. Take care not to overload washers.
- We often find that the last week when people leave, they dump a huge amount of garbage. It will help if you can dump your garbage gradually as you go along indoor cleaning process.
- Furniture in good condition may be donated to the BPMH.
- In case we need to clean after your move out, we will arrange a cleaning at a cost of \$25 per work hour which will be deducted from your security deposit.
